reviewed the items for Wednesday's agenda.

Item 1 concerns a plan being prepared by C. D. Jackson to exploit the situation in East Berlin and the satellites over a period of the next 60 days. At the time of the meeting no one at CIA had seen the plan, but I understand was to be consulted this afternoon.

Item 2 concerns a request to move certain radio functions of the IIA to Washington, and suggests the formation of an inter-departmental panel to discuss broadcasting frequencies. is preparing a 25X1A brief memo for DCI in conjunction with the conjunction of the Communications office.

said that certain differences exist between State and CIA on the Thailand paper (D-23) considered last week. He said C. D. Jackson will attempt to resolve the differences by personal contact with representatives of the agencies.
